## Red Mountain Facts

Red Mountain Resort has been named one of the Top Ten Resorts of North America by Forbes Magazine, and is quickly becoming one of North America's most sought-after mountain destinations. Choose from 87 runs spread across two stellar mountains that feature everything from wide-open groomers to steep, powder-filled glades. With more than 1,685 skiable acres and 880 metres of vertical terrain serviced by 6 total lifts, there is a lot to explore at Red. The abundant snow, friendly staff and locals, and the short lift lines are just a few reasons why guests fall in love with Red.
