Revelstoke Facts

Located in the Selkirk mountains of British Columbia, just minutes from the established town of Revelstoke, Revelstoke Mountain Resort offers lift, cat and heli skiing and snowboarding in one mountain playground. With an average area snowfall of 15m annually, the resort features the longest lift-serviced vertical descent in North America at 1,713 metres and 3,031 acres accessed by 2 high-speed quad chairs, an eight-passenger gondola and a Magic Carpet lift on our dedicated beginner slope. A mid-mountain lodge features breathtaking vistas and full-service restaurant with espresso bar, deck with barbeque and retail shop.

With majestic alpine bowls, legendary tree skiing, a continuous fall line and lofty rolling groomers, the terrain options are endless. Another half-million acres of snow-cat and helicopter skiing and snowboarding terrain are offered by Selkirk Tangiers Heli Skiing. The Snow School offers fun, high-quality educational programs for all abilities, and features innovative new courses such as cat and heli ski preparation and backcountry adventure and education, all taught by industry Pros.
